TOP 10 MEDICATIONS THAT CAN POISON YOUR PET

1. **Nonsteroidal Anti-Inflammatory Drugs (NSAIDS)**
   Examples: Advil, Motrin, and Aleve
2. **Acetaminophen**
   Examples: Tylenol, Sinus & Cold Meds, & Excedrin
3. **Antidepressents**
   Examples: Cymbalta, Effexor, Lexapro, Celexa, & Pristiq
4. **ADD & ADHD Drugs**
   Examples: Concerta, Adderall, Focalin, & Strattera
5. **Thyroid Hormones**
   Examples: Armour, Nature-Trhoid, & WP Thyroid
6. **Beta-Blockers**
   Examples: Coreg, Sectral, Tenormin, & Toprol
7. **Benzodiazepines**
   Examples: Xanax, Klonopin, Ativan, Restoril & Valium
8. **Albuterol**
   Examples: Found in Inhalers (dogs can puncture w/teeth)
9. **ACE Inhibitors**
   Examples: Zestril, Altace, Lotensin, Prinivil & Vasotec
10. **Birth Control Medications**
    Examples: Estrogen, Estradiol, Ptogesterone (Packaging is tempting)

To prevent your pet from getting into your medications, always keep them safely out of reach and never administer a medication to your pet without first consulting with your veterinarian. Remember: Nearly 50 percent of all pet poisonings involve human drugs. Pets metabolize medications very differently from people. Even seemingly benign over-the-counter herbal medications, human vitamins and mineral supplements may cause serious poisoning in pets.

Summertime and the living is easy! At least for our Guests here at DCC! The Swimming pool is open and the weather is continuing to improve for outdoor play! The Groomer has currently been booked up to two weeks in advance so please place your reservations early. Summer Cuts and removing those nasty matted hair areas are so important for avoiding "Hot Spots". Hot spots are places that collect moisture and can cause fungus and other bacteria to irritate the skin. Even though your dog may appear dry, please always check under the chest, behind ears and anywhere else hair matts and water could collect. Consistent brushing and grooming will aid in avoiding "Hot Spot" issues. When dogs swim in our pool we do our best to towel dry before sending them home from daycare, however, please make an effort such as blow dry and/or brushing before calling it a day!

We love our little swimmers and want them to stay healthy and happy.

MAY

Dogs of the Month

Dixie and Honey

Dixie and Honey are actually first cousins and are exactly 1 year apart. They do everything together and love playing. Their favorite games are tug of war and wrestling with each other. Dixie is more timid than Honey but Honey always looks after Dixie like big sisters do. They love to jump and tell everyone "Hi" when they can!

They are both full of energy at DCC and we love to watch them play!

SPOTLIGHT CADDIE

TERRI REEP

Terri is born and raised in Lincolnton. She became a DCC Team Member in October of 2017 and is already trained as a Caddie, Yard Lead, Shift Lead, and Rover! She is the proud Momma of 3 handsome young men. Will is in the U.S. Army and Nick is in the U.S. Marine Corp. We want to say a special "Thank You" to the entire family for their Service and Support.

She enjoys all kinds of music and even found music just for dogs that she has played for our picky eaters at DCC (Terri says "it seems to help them relax and enjoy dinner time more!")

Terri loves traveling to Ireland, hiking, being outdoors, mowing grass, gardening, and dogs, dogs, dogs!

You will often see pictures of Terri on our facebook page hugging on the guests.

All the dogs at DCC love Terri and we are super happy to have her on the DCC Team!
